FAQs: Sienna Recreational Program

Spring 2022 Season

Who is on my team?

Team formation will be finalized by Sunday, February 6. You will then receive a notification in PlayMetrics when rosters are complete which then give you access to the team calendar, training schedule, team roster and team chat function.

If you are not able to view the teams PlayMetrics dashboard (calendar, schedule, team chat) by Monday, February 7 at noon, then please contact us:

Email: sienna@dynamodashyouth.com

When is our Team Training?

Team Training will begin the week of Monday, February 7. Your assigned volunteer coach will contact you regarding the practice time and location. Team practice details will also be added to the team calendar in PlayMetrics. *Only U6 teams and older have team training.

When is our Skills Training?

All players can attend Skills Training starting on Monday, February 14. Your Skills Training timeslot is assigned based on your birth year. Skills Training sessions are focused on individual development, so you may not always participate in the same group as your teammates. It is a great way to improve your individual skill (technique) and make friends with different players in the program.

When are games?

Games begin on Saturday, February 12. The schedule for the entire season will be released on Monday, February 7 and synced into your teams PlayMetrics calendar.
